World directory of medical schools

Sir,

I have the honour to refer to your letter addressed to Dr Dal Poz, concerning the request to list the St Martinus University, Faculty of Medicine, Curaçao, in the World directory of medical schools.

As indicated in an earlier communication from Dr C. Murray, WHO is now publishing the World directory of medical schools (Base Year 2000), in an electronic form on the WHO Web site: http://www.who.int/hrh/documents/HRH_documents/en/index1.html. Updates to the base year file are published regularly in an "update file", consisting of schools that have a name or location changed and schools that are newly established.

Pursuant to the additional information set out in your letter, I am pleased to confirm that the St Martinus University, Faculty of Medicine, Curaçao will be listed in the next Update to the World directory of medical schools, to be published on the WHO website in January 2004.

Please accept, Sir, the assurance of my highest consideration.

Timothy Evans
Assistant Director-General
